2. Non-Essential Businesses

**All other businesses must be closed to the public!
Employees of non-essential businesses should remain at home, except
for emergencies. Provisions should be made to encourage work from
home, where possible.**

3. General Conditions:

1. Mandatory closing times:

- a. All businesses **must be closed on Sundays and holidays**, with the exception of: pharmacies, retailers of cooking gas, gas stations, garbage collection, emergency services and hotels & guesthouses, incl. on-site amenities as mentioned in the list of essential services.
- b. Businesses that are allowed to open (on Sundays or other days) **must be closed by 6 pm**, with the exception of emergency services and hotels & guesthouses, which may maintain their regular operating hours.
- c. The above-mentioned closing hours also applies to businesses with permits to open for extended hours or 24 hours.
- d. The above measures are in reference to businesses opening to the public! Work that has to be performed beyond closing hours may continue. This includes, but is not limited to: nighttime employees of news outlets, restocking of supplies in supermarkets, emergency service operators, SMMC personnel and Cargo workers at the airport and harbor.

2. Food & Beverage Establishments:

- a. Food & beverage suppliers include wholesalers, distributors and retailers (grocery stores). **The maximum numbers of 10 in small spaces and 20 in large spaces are not applicable to food & beverage suppliers.**
- b. Bakeries are allowed to open, but may only offer take-out and delivery services. No dining-in or loitering is permitted.
- c. Restaurants must be closed to the public, but special arrangements should be made to offer delivery services to Government, medical & emergency personnel only. No dining-in or loitering is permitted.

3. Educational Institutes:

- a. Educational Institutes are permitted to offer remote or e-learning services.
- b. Special arrangements may also be offered, for example in connection with exam students, with approval of the Ministry of Education.

4. Government Services:

All Government Services must be closed to the public. Back office support services may continue for telecommunication (i.e. TELEM, UTS) and utilities (GEBE). All other services must remain closed, with the exception of emergency services, as well as freight services at the airport and harbor.

5. Maintenance & Repair Services:

These services must remain available to Gov't, medical and emergency services between 9 am and 11 am on Mondays through Saturdays. This includes all maintenance and repair services related to buildings, appliances, fixtures, vehicles and vessels. Including, but not limited to automotive garages, tire repair services, plumbing and electrical services, A/C installation and repair.
